Remarks which may be helpful to successor in organizing the school for the coming year

Dear Successor

A few notes on the ability of these pupils. You will find the ability of the majority a little above average. however you will find no's. 5, 12 + 22 will need a little more encouragement and individual help. No. 13 is handicapped and you will need patience etc. to help him along. I do hope you enjoy these pupils as much as I have these last three years.

Sincerely,
Jean Meinert
